

Singing for the Brain

Date: 26/09/2017

Time: 3:30pm to 5pm

Cost: Free

Anyone living with dementia or affected by it who is a resident in the boroughs of Westminster, Hammersmith & Fulham and Kensington & Chelsea can attend these sessions run by the Alzheimer's Society.

Singing is not only an enjoyable activity, it can also provide a way for people with dementia, along with their carers, to express themselves and socialise with others in a fun and supportive group.

Hidden in the fun are activities which build on the well-known preserved memory for song and music in the brain. Even when many memories are hard to retrieve, music is especially easy to recall.

When: Tuesdays, 15th August - 31st October, 3.30pm - 5pm

Where: Ark Home Healthcare, 42 Westbourne Park Road, W2 5PH

For more information or to confirm attendance, please contact the Singing for the Brain team on:

Tel: 020 7561 4820

Email: islington@alzheimers.org.uk

Tags (office use): ASHF, HFMS, KCMS, WMS
