

Westminster Faith Exchange Interfaith Week Cycle Rides

Date: Date T.B.D

Time: n/a

Cost: Free

To celebrate National Interfaith Week, Westminster Faith Exchange has joined forces with Westminster City Council's Road Safety Team and Cycle Confident to create two leisurely three mile cycle rides around some of Westminster's many fascinating places of worship. We could have chosen many others, so if you have some favourites, let us know and we'll try and include them in more rides next year.

The rides will be professionally marshalled and family-friendly. They will use quiet roads and some of the segregated cycle tracks recently installed in Westminster. A little background information will be given at each of the places of worship. Riders can join at any one of the places of worship and there will be a return ride for those wishing to be accompanied to their starting point.

Santander Cycle Hire Docking Stations are located near the start and end of each ride.

Please reserve your places at the Cycle Confident website <https://www.cycleconfident.com/courses/led-rides/>

Soft drinks and vegetarian snacks will be provided on the ride.

Please meet at the first venue of each ride in good time for a prompt 2.00pm start.
