

Community Hub Winter Programmes

Community Hub Winter Programmes

It's nearing the start of the new year and the new programme of activities for people aged 50+ are out. Check out what is on offer from the major Community Hubs in the three boroughs.

Open Age and Penfold Community Hubs provide a wide range of activities: arts and crafts; fitness and dance; history, reminiscence and philosophy; and day trips to museums, galleries, or to the seaside.

Download the programmes, and we will be adding them to People First so you can see the events on our calendar, from the links below:

Open Age

- **Kensington** : [programme](#) / [calendar](#)
