Date registered. 09/06/2016

Public benefits

The public benefit of the charity extends beyond the doors of the house of hope. The benefit for the children in Moldova is seen in the living conditions in the House, and through opportunity to education. The charity encourages and extends the opportunity of further education to all children. It is proactive in suppor... [more] ()

What your organisation does

We own and maintain House of Hope orphanage, providing a home and education for vulnerable children. Also providing further education programme to enable children to make a change and further themselves in future. We also provide food and fuel for vulnerable for families in Glenoye village. ...
