

## Singing for the Brain

**Date:** 20/02/2018

**Time:** 3pm to 5pm

**Cost:** Free

Singing is not only an enjoyable activity, it can also provide a way for people with dementia, along with their carers, to express themselves and socialise with others in a fun and supportive group.

Hidden in the fun are activities which build on the well-known preserved memory for song and music in the brain. Even when many memories are hard to retrieve, music is especially easy to recall.

**When:** Tuesdays, 3pm - 5pm. From 21st November - 15th May

**Where:** St Vincent's House, 49 Queen Caroline Street, W6 9QH

Anyone living with dementia or affected by it who is a resident in the boroughs of Westminster, Hammersmith & Fulham and Kensington & Chelsea can attend these sessions run by the Alzheimer's Society.
