

For professionals

As your time is a precious resource, these pages can link you to the information that you need.

Use the panel on the left. We're adding to this all the time!

What's new:

- full resources and information about the **Making Every Contact Count** initiative
- full resources and information about the way **Adult Social Care and Health is changing** (the so-called 'Transformation' project)
- full resources and information about '**co-production**' - working with residents to shape our services and communications
